

Craignish Village Hall Committee Meeting

29th January 2025 7:00pm at CVH

Welcome to 2025, and thank you for all your hard work over the last year. As stated at the AGM in November, this is going to be an important year for the hall, and we must ensure we step up and complete the tasks we committed to. Hogmanay was a fantastic event, with lots of great feedback and an impressive number of volunteers on the night. Thank you to everyone who got involved.

There's a significant deficit for the latest quarter, and we discussed the factors involved.

Bookings

December is usually quieter with most groups stopping for 1-2 weeks over Christmas and New Year. There were 41 bookings in December, 50 in January

Pre-loved Uniform Scheme

I am hopeful that we might get funding from Argyll and Bute Council to start this up. This would give us a washer/dryer at the hall (to be put in the bar under the sink). We would seek local volunteers to run this four times a year.

20th Anniversary

Planning needs to get underway to make the most of our anniversary year

Office Bearers were elected, this being the first meeting since the AGM
